## Procter Pest-Stop Fly Trap Bag

Product Code: PSBFT

### Product overview

Fly Trap Bags are an outdoor product and ideal for use around patios and decking etc. The bag is simple to use and just needs water adding to the attractant, which has the added benefit of being virtually odourless. Once the bag is full, it can be easily sealed and disposed of.

- Ideal for use around barbecues
- Use on patios, decking and balconies etc.
- Very easy to use
- Highly effective
- Attractant included
- Virtually odourless
- Full bag easy to dispose of

### *Trade and professional*

#### Information for Trade - Overview

This is a high volume seasonal line and will be popular with consumers spending time outside in their gardens during spring and summer time. The nature of the product and its high efficacy means repeat purchases are very likely.
