

SERIOUS ABOUT PEST CONTROL.

Procter Pest-Stop Biofume Mole Smoke

Product Code: PSBMS

Product overview

The Biofume mole smoke contains food grade castor oil obtained from the castor plant. The smoke coats the soil inside the hole with a thin layer of castor oil; which acts as a barrier between the mole and its food – causing the mole to move on to find a new food source.

Key information for the stockist

- Use to deter unwanted moles from gardens and allotments
- Easy to use – light the fuse and insert into mole tunnel
- Environmentally friendly – no chemicals or traps
- Use 1 mole smoke for every 3 molehills
- Packaged in full colour display box
