

**SERIOUS ABOUT PEST CONTROL.**

## Procter Pest-Stop Clothes Moth Trap

Product Code: PSCMT

### Product overview

These traps are designed to be hung in clothing storage areas, and are simple to assemble and installed in seconds. Male clothes moths are attracted to the trap by pheromones contained in a slow-release strip, then caught on the glue inside the trap. Consequently, infestation is reduced as females do not mate.

### Key information for the stockist

- Discreet and practical, simple to assemble
- The attractant lasts around 6 weeks from activation
- Safe and effective – no chemicals or odours
- Full instructions included
- Packaged in full colour box with hanging tab

Product Barcode:	5014055000729
Product Dimensions:	H 120mm x W 140mm x D 10mm
Product Weight (Exc pack):	38g
Product Weight (Inc pack):	53g
Inner Quantity:	12
Outer Quantity:	12
Pallet Quantity:	2,772 (33 Outer cartons per layer x 7 High)
Waste Packaging:	Product - 15g card; Outer - 120g card
