

SERIOUS ABOUT PEST CONTROL.

Procter Pest-Stop Tunnel Mole Trap

Product Code: PSTMOLE

Product overview

Also known as a 'barrel' mole trap, this is a very traditional solution to a common garden problem. The trap is set, then placed in the mole run, and is triggered when the mole passes through it, killing it instantly.

Key information for the stockist

- Manufactured from galvanized steel to prevent corrosion
- Dual setting means the trap is triggered whichever direction the mole enters from
- As used by professional mole trappers
- No chemicals
- Supplied in full colour box with hanging tab
