

SERIOUS ABOUT PEST CONTROL.

Procter Pest-Stop Spray-Away

Product Code: SPRAY

Product overview

Simple to install in flower borders, lawns or adjacent to garden ponds, the Spray Away is an environmentally friendly solution to the problem of garden pests. Effective against most garden pests, including: Herons, cats, dogs, foxes, rabbits, squirrels, badgers and deer.

Key information for the stockist

- Virtually maintenance free, the Spray Away operates from a 9 – volt battery and a mains water supply, connected via a garden hose
- Passive infrared (PIR) motion detector senses the presence of pests up to 10m (35 feet) away
- The device responds by directing a three-second jet of water up to 10m (35 feet) over a maximum arc of 300 degrees; the sudden motion and water are effective at scaring away garden pests
